

## DOORSHIELD SAVES THE DAY AND MAKES DOOR DINGS A THING OF THE PAST

**DOORSHIELD** is protection and security as you not only saved your door, but the money that would have been needed to repair it

**DOORSHIELD** is a device – removable, attractive, portable, quick and simple to install. It incorporates inherent theft resistant properties and works on any vehicle.

### Easy to install in three easy steps

1) Remove the shield from your storage area

2) Attach the guard to the door

3) Adjust the strap and you are done
